

## **2015 Wish List Items**

Ellis House and Equestrian Center is a Kendall County Forest Preserve Facility that promotes equestrian education in a recreational setting. Riding instruction, scout outings, and day camps are just some of the equestrian programming that we offer. The Ellis House is a venue perfect for weddings, showers, retirement parties, and corporate events. Faced with an even tighter budget for 2015, all donations, great or small, will help us to keep our operational costs down so that we can continue to offer this facility and its equestrian educational programs to the residents of Kendall County and surrounding areas. Your donation is greatly appreciated by all visitors and program participants. All donations are tax deductible.

***Thank you for your continued support!***
